FAREWELL LYELL FAMILY

David, Sharon, Brittany and Madison are moving to Nyah. We will miss them all as they have been a major part of our school operation. David on School Council, Sharon as our bus driver, and Parents Club and the two girls are well respected by us all. We wish them the very best in their new venture, and hope that when things get better and the river floods they will return to us.

REPORTS—MID YEAR

Each child will have received their new look mid year report today. The new format is the Department of Education requirement and we all thank Mrs Johnstone for co-ordinating and ensuring our new reports made it onto your kitchen table. It was a tense time as we all had to learn the new program, but Mrs Johnstone then had to ensure that it all compiled correctly. It does look very professional and should be self explanatory to parents. If you do have any questions or concerns please contact staff involved. Pupil, parents and teacher conferences will take place next term.

\$82,000 SPENT IN 10 MINUTES

School Council made quick work of our latest Commonwealth Government grant. It was decided that the money would be used on 3 major projects.

1. Re-roof main building.
2. Furniture and equipment to complete our refurbishment.
3. New desk top computers.

The funds must be spent by January 2010, and Mr Wright had already obtained the required quotes so work can start straight away. The other good news was the half the funds have already been deposited into our bank account.

ORANGE DRIVE UPDATE

This week saw the delivery of our special labelled bags and our new brochures. We are now ready to take orders. Our t-shirts are being printed and the children have been preparing a display for the shop and 'Sunrise' TV.

TERM 3 STARTS—JULY 13TH**ECO CUBBY PROGRAM**

Next week we will have Julian Tuckett, an architect working in our school. Julian will work with our grade 4-6 pupils to design and construct a model, environmentally friendly cubby house. This is the first of such a program funded by Victorian Arts Council. We are one of 5 schools to be invited to be part of the program.

IMPORTANT NOTICES

Picking up children from school: - Please note that children will be put on the bus to home unless otherwise notified. No child will be allowed to go to another child's home unless the school has been notified via a letter, phone call or verbally (parent to teacher).

Parent contact phone numbers: Over the past week the school has been unable to contact several parents regarding issues with their children. If you have a new phone number either mobile or land line please contact the school immediately with those corrections. It makes it very difficult when the school cannot contact children's parents. The children also get a little stressed over these issues as well.

PARENTS CLUB NEWS

Our next Parents Club meeting will be on Monday June 22nd at 3.15pm just meet at the front of the school and we will find a room for our meeting. All welcome.

Please come along for discussion of ways we can support our great school by our fundraising efforts.

Community Benefit—Don't forget that if you shop at Fishers present your community benefit key tag and they will give our school 1% or your total grocery bill. If you don't have a key tag please call into the school office and fill in a form and you're ready to help our school. Total funds we have raised since we registered with the fundraiser is over \$3,000.

Student Banking—Just a reminder that we have started student banking again this year. Student banking will occur on Fridays of each week. Every \$100 deposited through our school gives us \$5 from the Commonwealth Bank. Also we receive \$5 for every new bank account opened through our school.

AIR WATER

This week our air water machine processed 50ltrs.
