WALKING GROUP

Just a reminder our walking group will be leaving the Nangiloc/Colignan Primary School at 9am each weekday morning. This time will not suit everyone but hopefully will allow school/kinder/playgroup parents to come along for a 1 hour walk and talk. We will walk along the bike track toward the shop and cross to the recreation reserve (footy oval) to do laps. This is the most central spot to start so that everyone in the community can get there (organise a car pool in your area). Also the bike track is a good surface to push strollers and the oval has the playground for toddlers to play whilst parents get exercise and a chat. If and when it does rain we will start from the recreation reserve or if it suits you just meet up there. Everyone in the community is welcome to come along for a walk and chat and to enjoy the surroundings. Come along and catch up with others in the community.

"Deb with a Difference"

A huge thank you to everyone who came along to support this enormous Fundraiser!
With some 155 tickets sold, it was a huge success, raising vital funds
for our little kindergarten.

A special thanks to all the debutants! We couldn't have done it without them!

Thank you to Barry and Denise Jackson for sharing their remarkable dancing
knowledge and skill, and giving up their time to teach us!

The Visible Effects Voucher was not forgotten, a winner was drawn at our recent
meeting. The winner was Jono Macklin. Congratulations Jono, you've won yourself a
voucher for a relaxing massage at Visible Effects in Mildura!

Just quickly: could the person who took the candles and lanterns from out the front of the
hall please return them? These were kindly loaned to us from one of the kinder mums and
were to be returned once the Deb was over. Who ever you are, have a heart and please drop
them off at the kinder gate, after hours is fine, no questions will be asked!
