Kulkynne Way Landcare Group

The Nangiloc / Colignan and District Primary School recently received some books and \$200 from the Landcare Group to help them with their school vegetable patch (Grade 2). The Landcare group will also be running a learning activity about Regent Parrots as part of Threatened Species Day in September.

Preparation of the School Environmental Management Plan for the Nangiloc and District Kindergarten is underway.

On **Sunday, September 13th** from 2.00pm the Landcare group will be running their annual 4WD tagalong tour in Hattah Kulkynne National Park. It's a great chance to visit some new areas using the management vehicle tracks - all welcome.

The Colignan walking trail (behind the pool) will soon be sprayed to get rid of the Bridal Veil Creeper that is getting a hold there.

Don't forget, membership is only \$20 for 5 years. Contact Fiona 50291404 or Maaike 50291523 or landcare@nangiloc.vic.au
