WHAT A WONDERFUL WEEK

It has been such a fulfilling and rewarding week for both students and teachers as we watch or are actively involved in promoting healthy eating and our schools enterprise learning. The children involved have returned to school feeling so proud of themselves and the school. Such experiences can not be duplicated in our own classroom. In total the children presented to approximately 1300 pupils and teachers. What an effort. Many thanks to Tony Bothroyd for his continued enthusiasm and willingness to transport our children to and from each event. Read the comments the children have recorded in their newsletter this week. A completely different experience awaits them next week when they hit the road to work with adults and the general public. Again thanks to the parents and teachers who are providing transport and supervision.

More great comments and interest were shown by the Go For Your Life crew who visited our school on Friday. They were totally 'Gob Smacked' by the children's behaviour, their healthy eating program and with Fundzinc. They have offered to show case our school on their web site.

PARENT OPINION SURVEY

Our annual survey will be distributed next week. A random sample of parents is generated by the Department of Education. It is essential that selected parents return their survey as the data is used to identify future direction. Please make every effort to return them. They remain anonymous.
