ACTIVE AFTER SCHOOLS

Its fantastic to see so many children involved in the program. We have had groups of up to 30 children, and this is fabulous. Thanks to all parents who are supporting our initiative to provide fun and games after school. Chris, the Tae Kwon DO instructor gave high praise to our children and is really having fun with them. The children demonstrated a few moves this morning which means they are obviously absorbing new and challenging body movements.

SCHOOL CAMPS

Congratulations to our children in grades 5 & 6 who have returned from camp, a little exhausted but, very excited about their many experiences. Again they were given high praise fro their behaviour, interest and capacity to ask inquiring questions. Special thanks to Joanne Baker who provided transport to and from Lake Cullulleraine. Thanks also to Mrs Johnstone who also used her private car to provide the extra transport and well done Mrs Sleep for her week away with our grade 6 students.

CUP DAY FUN DAY

As has become a tradition we will again hold our own special Cup Day celebrations. We encourage the children to dress up (Fashions on the field), to bring a picnic lunch to share, and the children will be involved in a writing session where they write a race call. Once the race call are written the children practice their public speaking and call their race while the other children use their maths skills (chance and data) to predict the winner. It is a fun day with lots of educational outcomes. Mums and dads are encouraged to participate in the race calls, approximately 11am.

SCHOOL CONCERT DATE

Thursday December 10th (Place this day on your calendar).
