## PREP—2 SLEEPOVER

If the excitement of the children was any indication the trip to the resort was an absolute winner. 3 pools, a formal meal in a real restaurant, having the waiter take the orders, and being allowed to draw on the table made it a day to remember. Many comments from holiday makers at the resort about how well behaved the children were and their manners were remarkable. We even set up our own restaurant for tea. Many thanks to Jenny Hicks who volunteered to stay over night and help out. Thanks goes to Fiona Moore who accompanied the children to the resort, and it was great to have Mr Tucker back for the day. He shouted the children ice cream and Maccas on the way home. Congratulations to Mrs Wright who organised the entire event, it was a highlight of the children year.

**Prep/One/Two Excursion.**

Well, despite the horrible weather, our excursion was amazingly successful. During the week, we practised table manners by acting out our trip to the restaurant. Then, came the actual day. The children didn't let us down. Their behaviour at both the library and the restaurant was wonderful, in fact five different senior citizens who were dining at the restaurant, came over and complimented the children on their behaviour and their manners. Congratulations kids. Mr T, Mrs Moore, Mrs Hicks and I were so proud of you all. We got back to school and we decided to set up our own restaurant. The children had to make their own place mats, decorate their tables and set their own tables before dinner. One of the Grade 2's even made up a menu. Once again, the manners were given another working, and once again they were great. The children later played some games with Mr Wright on the oval and were all asleep by 10.00pm, some even earlier. The children will reflect on their learning in next week's edition. Mrs Wright.
