### NANGILOC KINDER NEWS.

#### **Help!**

The Nangiloc and District Kindergarten has vacancies on their Parents Committee, including vice-president and general committee. These positions are open to any interested person from our community.

The Parents Committee is responsible for the everyday management of the kinder, and fundraising.

Volunteering on this committee is very rewarding because it helps to ensure our kinder remains open and provides the best early education experience possible for our children. Learning in the kindergarten years matters. It makes a difference to children later in education, work and life.

Please contact Fiona 5029 1404 if you are interested.
