NAPLAN

The National Testing program, that has been the focus of much media coverage over the past months is to be conducted next week. The teachers at Nangiloc will not be taking any industrial action. On Tuesday May 11th the grade 3 & 5 students will complete Language Conventions and writing, while on Wednesday May 12th they will complete a reading test and finish on Thursday May 13th with a numeracy activity.

It's important that all eligible children attend on these days, as the test can produce valuable information on our school teaching and learning performance. The children have been given lots of preparation and should not feel threatened by this process. Parents are encouraged to reassure their sons and daughters that they will 'be fine' just give it your best shot.

CATALOGUE SUCCESS

Fundzinc clothing catalogue seems to have proven successful. We sold 8 items off our rack this week. We still have lots of back packs and they are a real bargain at \$15 (includes pack, wallet, lunch cooler bag and reader bag).

FUN RUN—CHANGE OF DATE

Now Thursday May 13th at 2.00pm.

Mums, dads and friends are all invited to participate. It's a great chance for a stroll around our river bend. Sponsorship forms can be returned any time now. Remember, you don't have to complete or return the forms, your child will still participate in the fun run anyway.

READING NIGHT REMINDER

MAY 19TH—7.00PM

This will be a fabulous information night for all parents especially those with children in Prep-2. Our presenter is a very knowledgeable educator who can provide lots of tips and hints to help make your child a successful reader. Remember—You the parents are an extremely important component in teaching your child to read. The school alone cannot do it, we need your help. Please return attendance slip immediately.

FLOWERS FOR MUM

We would like to thank all the children who purchased flowers for their mum or nan. We sold 48 posies, which is fantastic.

STUDENT BANKING

It is great to see so many children banking through our school. For every \$100 we deposit our school receives \$5. If you wish to open a new account for your child/ children please contact the school office as our school receives \$5 for every new account opened through our school (forms available at the office). If you open it at the bank you can still deposit through our school we just won't receive the \$5 for opening the account, but will still receive the \$5 for every \$100 deposited at our school. Our school raises approx. \$150 each quarter, which I think will increase as we have so many students banking at the moment. If you have younger siblings at home you can bank for them as well, they don't need to be a student at our school. This is fantastic. Thanks for your support.

MOTHER'S DAY RAFFLE

Thank you to everyone who purchased raffle tickets. Results in Fundzinc newsletter.

NANGILOC KINDER NEWS.

Help!

The Nangiloc and District Kindergarten has vacancies on their Parents Committee, including vice-president and general committee. These positions are open to any interested person from our community.

The Parents Committee is responsible for the everyday management of the kinder, and fundraising.

Volunteering on this committee is very rewarding because it helps to ensure our kinder remains open and provides the best early education experience possible for our children. Learning in the kindergarten years matters. It makes a difference to children later in education, work and life.

NANGILOC & DISTRICT FOOTBALL NETBALL CLUB NEWS

Natters:

Unfortunately, those 4 points on a Saturday afternoon are still eluding us. Although the scoreboard might suggest a very large losing margin, this does not accurately reflect how the game was played. Our boys worked well in defence in the first quarter but turnovers saw Bambill go to the first break with a 26 point lead. After a bit of a revving from Stoney at half time we were able to match our counterparts for the next 25 minutes, but, as seems to be a tradition with the red & blue, the boys ran out of legs in the last which saw Bambill finish the day with a 91 point victory. Better players on the day were Troy Francis, Phantom, Gra, Keegs (in his debut game), Mikey and Lukey Lea.

Thanks to Toby for timekeeping & to the "Hat" for taking care of the interchange.

A big thank you to George for central umpiring with Howesy from Bambill – a great job done by both guys.

Volunteers are the backbone of our Club, so if you can help out in any way speak to Cocka, Coggy or Vanessa.

Our netballers, once again, followed in the boys footsteps, and couldn't bring home the 4 points in any of the grades. Scores & better players on the day were

A Grade: 17-38 Best Players - Megan, Alanah & Kristi

B Grade: 13-46 Best Players - Shona, Michelle & Alesha

Juniors: 3-26 Best Players - Isobella, Cohen & Laura

Don't forget Saturday night after the Euston game is our Dress Up night where you need to be dressed as a character beginning with the first letter of your name.

A casserole tea will be available.

Hope to see you there for a fun filled evening.

Auskick: Kicks off on Wednesday 12th May, 2010 at 5.00pm

It was great to see the excitement on the kids faces last night when they were handed their Auskick packs at registration night. They are rearing to go (even the Auskick coach has bought new footy boots for the occasion!!!)

Please note the change of day for Auskick sessions – they will now be held on a Wednesday afternoon at 5.00pm and will be held at the Nangiloc/Colignan Primary School (after Active After School). If your child is doing Active After School he/she is most welcome to stay on and register for Auskick. If you missed registration night on Thursday night, it's not too late to sign up. Please call Matty on 0429 690 324 for more info.
