NANGILOC KINDER NEWS.

Help!

The Nangiloc and District Kindergarten has vacancies on their Parents Committee, including vice-president and general committee. We have been unable to meet quorum requirements (five people) at any meeting this year. Positions on the Parents Committee are open to any interested person from our community. The Parents Committee is responsible for the everyday management of the kinder and meets at 5.30pm, every

fourth Monday at the kinder, for about an hour.

We are trialling a separate fundraising subcommittee, meeting at 9am every third Wednesday at the kinder. Volunteers are needed for this committee too.

Volunteering on for the kinder is very rewarding because it helps to ensure our kinder remains open and provides the best early education possible for our children. Learning in the kindergarten years matters. It makes a difference to children later in education, work and life. Please help us keep our kinder local.

Please contact Fiona 5029 1404 if you are interested, or just come along.

NANGILOC & DISTRICT FOOTBALL NETBALL CLUB NEWS

Natters: What a great day Saturday 8th May turned out to be! The sun was shining; the birds were chirping and finally a real reason to celebrate after the final siren. Our boys were in complete control during the first term with Troy kicking the first 2 goals, then Sammy kicking 4. The next two terms were very evenly matched as it seemed to be Euston's turn to take control of the game. When the siren signalled the start of the last quarter, it was our turn to shine once again. Congratulations to the boys who banded together as a team and played the best football seen for a long time. Now that we have seen what the boys are capable of, let's hope we can repeat the performance on Saturday as we take on Meringur at Lake Cullulleraine.

Our netballers didn't have any wins on the day, but all teams showed much improvement, so I'm sure it won't be too long before we see victories.

A Grade: 21 - 27 Best: Kristi G, Megan, & Elyse

B Grade: 22 - 26 Best: Jordan, Michelle & Kristy S

Juniors: 7 - 31 Best: Danika, Amme & Laura

Thanks to all who supported our Dress Up night - a great night was had by all. Congratulations to Megan "Marge" Shaw for winning 1st prize, Neville "No Hoper" Crellin & Kristi "Kenny" Goldup for equal 2nd, & Lilly "Ladybug" Goldup who took out the kids section.

Sponsors we would like to recognise this week are Manna Farms, SOS Citrus, Landmark & Oldy's Concreting. Don't forget that Clubs like ours would not survive without people like this so please do your best to support them.

Auskick: The first session of Auskick was a great success – the kids absolutely loved it (and I'm sure the parents did too). The next session will be held on Wednesday 19th May at 5.00pm – straight after the "After School Activities". It's not too late to register, just call Matty on 0429 690 324.
