## ORANGE DRIVE GETS TRACTION

A very exciting email from Anne Greber producer/presenter of The Good Life (3MDR) may be a major chance for our orange drive to gain publicity. Anne has worked in the slimming and nutrition field for years and has many valuable contracts eg. Nutrition Australia. She presents a weekly radio program on Monday afternoons as well as writing articles for all sorts of magazines and organisations. She is very enthusiastic about our project and has already mentioned it on her show (she also mentioned that listeners had called in to make further inquiries). She has asked Mr Wright to join her "On Air" on Monday May 31st at 4.05pm, just when the mums and dads of Melbourne will be travelling home from school. This will be a fabulous chance to promote our orange drive to the Melbourne and Dandenong regions. I believe Anne was given our information as a follow up to the Innovations Conference (wheels within wheels).

We have also been given a full page article in this months Health in Schools newsletter. [www.goforyourlife.vic.gov.au/kids](http://www.goforyourlife.vic.gov.au/kids)

In addition to this fabulous publicity we have received interest from Scotch College, Wedderburn P-12, Seaford and East Bentleigh, who have already taken order forms (250 families). These inquiries are from the children sending out brochures. I hope to include East Bentleigh in the 'Follow the Orange' 2010. Hopefully we are beginning to attract interest in a project that will have an impact on our own economy.

## MRS JOHNSTONE ON BBC RADIO

Remember when Mrs Johnstone conducted an interview with Nicolai about the Locust Pocus. WELL the same report went world wide on BBC radio. Mrs Johnstone should now be our preferred radio presenter.

## JOURNEY OF THE ORANGE EXPRESSION OF INTERS

Mr Wright began planning this week for our bi-annual excursion, and was amazed at how obliging and enthusiastic all his contact were.

They remember us and continued to endorse such an educational experience. Our grade 5 & 6 class is much larger than in previous years (22 pupils) and the largest (drive yourself) bus is 25 seats. The bus is full, without involvement of parents, BUT we do want your involvement, and we will need to hire a coach. If you are a parents of a grade 5 or 6 student and would like to come and would be prepared to pay for your own accommodation, meals and a small amount toward to coach (\$250) please return the attached reply slip. Dates—Aug 23-26th (5 days). If there are any parents who do not want their children to participate please contact Mr Wright.

What's Happening Next Week:

**Monday May 24th—Set up for field day.**

**Tuesday May 18th—Catering at Field Day**

**Wednesday May 19th—Catering at Field Day. District Cross Country. Active After Schools—Baseball.**

**Thursday May 6th—Active After Schools—Golf. Worm farm delivery.**

**Monday May 31st—Mr Wright to be interviewed on Live Radio "The Good Life" regarding our 'Orange Drive.'**

**OTHER CAMP DATES**

Grade 6—Melbourne Oct 26th-29th

Grade 5—Oct 26th-29th—Lake Cullulleraine

Grade 3&4—Sept 6th-8th

**FRESH VEGIES**

Fundzinc has negotiated with Mr Chislett to provide fresh vegies on their stall each week. FRIDAY will be Market Day when the children will stock the stall with vegies straight from the patch. At present they have access to cauliflower, Chinese cabbage, pumpkin and maybe broccoli. Market Day will start next Friday May 28th.

**MID YEAR REPORTS**

Individual reports will be distributed on Friday June 18th. A pupil free day has been approved by School Council on Wednesday June 23rd. We will conduct our student, parents and teacher interviews on that day. This day is designed for the children to demonstrate to their parents what they have achieved in class. A timetable will be distributed next week.

**FIELD DAY CATERING**

A big thank you to everyone who has offered to complete their shift on the field day roster. It is our major fund raising event of the year and all proceeds support all the children at school. All money raised this year will provide storage space for books and equipment still in the shipping container.

**GRADE 6 DISCOVERY DAY—9.30AM-11.30AM**

All grade 6 pupils will attend the transition day next Friday May 18th. The children will travel in on the normal high school bus, (check out the time and place) and they will return to Nangiloc via the Red Cliffs College bus. Any questions, ask Mrs sleep or Mr Wright.

**TIMETABLE FOR MILDURA FIELD DAYS (25TH & 26TH MAY)**

Below is the timetable for the field days to be held in Mildura. If your name does not appear on the list and you can help out please contact Janette Mason on 0428291538. The field Days are held at the Sunraysia TAFE grounds in Benetook Avenue between 14th St and 11th St. The entrance is right next to Johnson Truck company as you head down Benetook towards 11th St. Our stand is along that outside boundary, so if you park in on your right as you go through the gate you will find us with ease. When you enter the gate let them know that you are working on the Nangiloc School BBQ (Site X6). Hopefully the times are correct this week.
