

COMING EVENTS

Friday June 4th—District Lightning Premierships—Red Cliffs (Gr 4-6)

Friday June 18th—Mid Year Reports

Wed. June 23rd—Student/Parents/Teacher interview (pupil free day)

CONGRATULATIONS

1. To the Parents Club on their fabulous effort to again conduct a 2 day catering event at the Sunraysia Field Days. Special mention to Janette Mason our co-ordinator, Julie Briggs, Lauren Rohde, Nev Smart & Neville Crellin who are not parents at our school, but offered to help out during the 2 day ordeal. It is a very involved task and requires lots of time and commitment. It was also fabulous to hear that everyone she personally contacted was so obliging and supportive. To all the parents who helped, THANKS, your efforts raised \$2,500 which will be used to purchase/establish storage facilities in the quiet area.
2. To all the children in grades 5 & 6 who competed in the recent District Cross Country. Mrs Stone reported that your behaviour was impeccable and your performance was outstanding. She did mention how brave Harley was, as he soldiered on despite suffering a 'stitch' very early in the race. Well done Jay(38) Harley (118) Cohen(24) Melissa(107) Isobella(42) Anita(93) Nicola(56) Julia(58) Ben(93). The girls team of Melissa, Julia, Nicola & Anita was actually placed 3rd in our division. Our best effort ever.

MID YEAR REPORTS

All teachers will begin to complete the individual reports on each child next week. Big thankyou to Mrs Johnstone who has had many sleepless nights and anxiety attacks as she prepared the reporting program on to each teachers lap top and the central server. Reports will be distributed on June 18th. Remember that Wednesday June 23rd is a pupil free day, a day when we will conduct our pupil, parent and teacher conferences. Timetable attached.

FOR THE CALENDAR

The Department of Education has also declared August 9th a state wide pupil free day. This is a Monday so parents may like to arrange a family trip or camp weekend.

SOMERS CAMP REPORT

Cohen Andrew presented a very professional and entertaining report on his adventures at Somers Cap, at Tuesdays assembly. Cohen prepared his slide show in his own time and clearly explained each activity to the whole school. It is wonderful to see our children show such initiative and willing to share their experiences.

FRESH VEGIES—EVERY FRIDAY

Don't forget that Fundzinc are providing fresh vegies at their stall every Friday. This week we have broccoli, cauliflower, chinese cabbage and pumpkin. Everything is \$2.

What's Happening Next Week:

June Already!
Monday May 31st—Mr Wright on the radio.

Wednesday June 2nd—Active After Schools—Baseball.

Thursday June 3rd—Active After Schools—Golf.

Friday June 4th—District lightning Premis. Grades 4-6.

FOLLOW THE ORANGE—AUGUST 23RD-27TH

As published last week, Mr Wright would like to finalise budgets, accommodation etc for our 3rd 'Follow the Orange Journey.' Any parents interested in attending, and willing to contribute (\$250 towards cost) need to notify Mr Wright next week. Any parents who do not want their child to participate, also need to inform Mr Wright by Friday June 4th. Thanks.

NIT ALERT

Yes, our little friends are back. Please check your child's hair over the weekend and if you find any lice or eggs it is important that you inform the school, treat your child's hair, remove all eggs and get a clearance from either Julie Briggs (50291880) or Emily Gove (50291406) before your child can come back to school. Julie Briggs will come to school one day early next week to do a thorough check of all children just to cover all bases. If Julie finds eggs or live lice you will be contacted by the school to come and collect your child. The same rules apply as stated above. If we all work together and do the right thing we can rid our school of these little blighters.

TIMETABLE FOR PARENT /TEACHER/ STUDENT CONFERENCES/

Wednesday June 23rd
