

COMING EVENTS

Monday June 14th—Public Holiday—No school.

Friday June 18th—Mid Year Reports

Wed. June 23rd—Student/Parents/Teacher interview (pupil free day)

ENTERPRISE LEARNING SPOTLIGHT

Our school was again in the spot light last week.

Firstly, Mr Wright was interviewed on live radio in Melbourne for 15-20 minutes talking about our school's unique learning environment and promoting the orange drive.

Secondly, on Wednesday we had a visit from Kim McCarthy (Senior Programs Officer—Student Wellbeing) who has invited our student to present at their WOVE (Wealth of Wellbeing & Engagement Festival) conference. Our school was recommended by our Network Co-ordinator, Robyn Blackie, as providing an outstanding learning program that engages children in genuine learning environments. The children in grade 5 & 6 presented a slide show and then chatted informally with Kim about Fundzinc and all its attachments. Kim was very impressed and very keen to involve our school in her festival. Our only hurdle is the date clashes with our Journey of the Orange excursion

Thirdly, we had a visit from 3 actors (Vic Arts) on Wednesday. Of course we told them all about our project. Actually works in a school in Melbourne and was so impressed that she wants us to visit her school, during our Follow the Orange Tour. I am sure we can accommodate her request.

Fourthly—Our Orange Drive is given a "write up" in the Monthly Farmers Market Newsletter (1500) distributed throughout Melbourne. Also an invitation to set up a display/sales stall at an up coming market, possible Saturday June 12th at the Collingwood Children's Farm. It would be great to have some children involved. Anyone planning a long weekend in Melbourne next week please notify Mr Wright.

MAJOR CHANCE TO PROMOTE OUR ORANGE DRIVE

Saturday June 12th—Collingwood Farmers Market, Melbourne.

We will be given major media exposure during next week, (radio, printed) about the fact that a display will be at the market. I would imagine a big crowd will attend. It would be great to have some parents and children but if not Mr & Mrs Wright will cope.

FRESH VEGIES—EVERY FRIDAY

Don't forget that Fundzinc are providing fresh vegies at their stall every Friday. This week we have broccoli, cauliflower, chinese cabbage and pumpkin. Everything is \$2. We would like to thank everyone who has supported this venture so far. Each week everything gets sold, which is fantastic.

FOLLOW THE ORANGE—AUGUST 23RD-27TH

Mr Wright is keen to finalise bookings of accommodation and buses and needs to know the names of parents who would like to join our tour. It is a real “eye opener” and a fantastic way to learn about the citrus industry for both pupils and parents. I encourage parents of children in grade 5&6 to consider participating as your involvement is a vital part of the whole process. You provide the link between the school and the community. This trip is a very unique experience. We go to places that are generally “out of bounds” to the general public. Names need to be with Mr Wright by June 11th.

SPECIAL GUESTS TO VISIT OUR SCHOOL

Keith & Florence Payne are visiting the grade 5 & 6 room on Friday 11th June at 10am. Keith is an Australian recipient of the Victoria Cross, the highest decoration for gallantry in the British and Commonwealth Armed Forces.
