## NANGY NATTERS

Winter, winter, winter.....rain, rain, rain.....That's how we were welcomed at Car-ramar Drive last Saturday. Unfortunately, things didn't get any better either.

Sammy kicked the opening goal (some would say this is becoming a habit).

But sadly, in tough conditions, that was all we could manage for the first term. Mikey & Gra were defending well but the quarter belonged to Gol Gol. The second quarter proved to be a costly one, with 50 metre penalties and one player being on the receiving end of the 'send off rule' things certainly weren't going our way. Phantom & Dealo managed to kick majors for us but the Hawks were only too quick to reply opening up the lead to 52 points at the main break. Big Tim Peterson kicked our only goal in the third quarter & Scooter was our solo goal kicker in the last term. Our boys did play well in patches but were outclassed on the day by a well drilled Gol Gol outfit. Our better players were Phantom, Keensy, Mikey, Lukey Lea, Johnno & Pucka.

Our netballers were outclassed on the day as well. The wintery conditions certainly suited the home team. The junior's faced the worst of conditions during their game with a torrential downpour, but managed to hold their heads up and play well together for the entire game. Results & best players were:

A Grade 12-62 Best Players: Sophie Shaw, Kristi Goldup & Kelly Wright

B Grade 7-44 Best Players: Jordan Geddes, Nina Smart & Alesha Bothroyd

Juniors 11-20 Best Players: Danika Andrew, Cohen Andrew & Anneka Doering

Our Auskickers played their second match for the season at half time of the senior game. This too was played in blustery conditions but all the kids played well and enjoyed the game. We will have two more "half time" games during the season, so keep an eye out for the dates and come along to support the kids.
