It has been fantastic to see so many parent and children supporting the program. Please continue to do so, as if we don't use, we lose it.

PUPIL/PARENT/TEACHER CONFERENCES

FOLLOW THE ORANGE—AUGUST 23RD-27TH

Mr Wright is keen to finalise bookings of accommodation and buses and needs to know the names of parents who would like to join our tour. It is a real “eye opener” and a fantastic way to learn about the citrus industry for both pupils and parents. I encourage parents of children in grade 5&6 to consider participating as your involvement is a vital part of the whole process. You provide the link between the school and the community. This trip is a very unique experience. We go to places that are generally “out of bounds” to the general public. Names need to be with Mr Wright by June 11th.

**SPECIAL GUESTS TO VISIT OUR SCHOOL**

Keith & Florence Payne, along with several residents from the Jacaranda Village in Red Cliffs visited our school today. Grade 5 & 6 children discussed many issues with Keith and Florence about what families are faced with during wartimes. The Jacaranda Village residents arrived and along with Keith & Florence were shown our Anzac Day film that was put together by Carolyn Nulty. We then all enjoyed a wonderful array of cakes, slices, quiches etc supplied by our wonderful parents for morning tea. Alicia Sorohan (attacked by a crocodile while trying to save another person in the NT 6 years ago) and her husband also visited. They were all very impressed with our little school and what we have all been able to achieve.
