Community Events Board

Thanks to Robert, Rohan and Tony for installing our blackboard to advertise Community Events. The board is outside the Nangiloc Hall and can be used by anyone, based on an honesty system. Please:

- advertise only legitimate community events, garage sales are ok,
- include the date of your event and only rub off events that have past.
- do not stick posters onto the blackboard section.

The money for the Event Board was provided by a Mildura Rural City Council Community Grant and was administered by your local Kulkyne Way Land-care Group. Thanks to Lower Murray Water for donating the infrastructure.

A Word from Marita Sleep

The Drought Relief project has been extended another 12 months. I will continue doing the work I have been with a slight change. I will be working from my home office beginning 7th July and will also start counseling work as well for which, I have received funding for 100 hours so I can continue seeing old clients and see new ones too. This is a free service to you and referrals are not needed. This arrangement gives me more flexibility and will be a more focused use of my time. I can now be contacted on my new mobile number 0488 676 490.

NANGILOC & DISTRICT FOOTBALL NETBALL CLUB NEWS

Football: Our boys should be proud and not disappointed with their performance last week against Gol Gol. The guts & determination shown on the field was amazing. I'm sure we gave the ladder leaders a real scare.

Gol Gol scored the first goal but we were soon to reply through our new found forward - David Mike, who kicked 3 in the first quarter. Our boys in defence were playing well until mid way through the term when Graeme Glare hit the turf and didn't get up. An ankle injury saw him carried from the ground on the stretcher. Hopefully he is recovering well now.

The first half of footy was really close and when the siren blew for half time, the Demons were only trailing by a goal. Unfortunately we only kicked points in the 3rd, while our opposition were able to kick goals. This hurt us, but thankfully the boys didn't give up and came out on fire in the last term. This was by far the best 20mins of footy that the guys played! Although we were able to outscore Gol Gol in the last quarter, it just wasn't quite enough and the Hawks took the points.

Final results: Nangiloc 10 7 67 Gol Gol 12 9 81

Goal kickers: David Mike 7, Keegan Lee, Brad Shaw & Sam Lee 1 each

Best players: David Mike, Damien Sitters, Troy Francis, Keegan Lee, Scott Shaw & Luke Stone

Netball: Bad news on the netball front for our senior grades.

A Grade started superbly scoring the first 4 goals of the day, but only another 8 were added by the end of the game. Scores: 12 - 60 Best players: Jade Wright, Alanah Giddings & Sophie Shaw

B Grade game didn't start off quite the same. It wasn't until the 3rd quarter that the girls could add a point to the scoreboard. Scores: 2 - 54 Best players: Melissa Johnstone, Nina Smart & Chloe Gleeson.

Juniors: Finally a win on the netball court. This is not a misprint or a typo!!! Our ever determined junior side has recorded their first win in some time. They were trailing at the start of the last quarter and with only minutes to go the scores were tied. Just as the whistle was about to blow the red & blue added one more goal to take the game 18 - 17. Best players: Bianca Douglass, Jema Aksu & Laura Collett. The entire team played well, and are **all** to be congratulated.

Auskick: There are only 4 sessions left for the season. Dates are Wed 4th Aug, Wed 11th Aug & Wed 18th Aug. Our final session & breakup will be held on Saturday 21st August commencing at 11.00am with sausage sizzle to follow. Please put these date on your calendar.
