

COMING EVENTS

Tuesday August 17th—Book Day Sunnycliffs.

Tuesday November 9th—Kanga 8.

PARENTS CLUB CATERING

This is a very big weekend for our Parents Club and our school.

Thanks to everyone who has volunteered to help. It is essential that we all endeavour to help out in some way. A roster has already been sent home. All funds will be used to help our school purchase a new mower. All children will benefit from the acquisition as they all play on our green, grassy playground. If you can't attend what about making a donation. Thanks Mr W.

If you are not sure how to get out to Frank Ryan's place, when you get to the highway at the end of Boonoonar Rd, turn left and head back towards Mildura for about 1km and Frank's turn off is on the left. There will be lots of signs and watch out for trains. Just continue along the track and you will find you way. It's very easy. See you there.

JOURNEY OF THE ORANGE

We have had a very busy week visiting local pack houses, Tumut Nursery, Pickering Transport, Curlwaa Fresh and we even called in for a surprise visit at Visy Board. At Visy we presented Cosi Costa with a special certificate of appreciation. He was genuinely flattered by our visit and continues to be very supportive of our entire project. The children received high praise for their enthusiasm and interest from all who met with them. We had the media in attendance at Mildura Fruit Company (Mildura Weekly, WIN TV and Sunraysia Daily). We even had Hugh Flett, chief executive of Murray Valley citrus Board join us on our tour. It was so gratifying to be welcomed with such warmth no matter where we went. Each and every business had made arrangements for our visit and they all added extra effort to accommodate our wishes. Frank SOs even allowed the ABC to interview him on his thoughts, it was broadcast on Wednesday morning, and the school has a copy. We are not sure when WIN and Sunraysia Daily will produce their news articles, but we are sure the weekly will have an article in next weeks edition.

An extra highlight, was that 3 of our more hesitant, shy children actually made presentation an were interviewed. Well done Kimberlin, Tayla and Kaila. It is wonderful how our project provides these opportunities, all children get the chance to shine.

DATES AND TIMES FOR JOURNEY OF THE ORANGE

August 23rd—27th remain as previously published. Departure time is 8am on Monday 23rd. Please arrive around 7.30am so we can pack and "Hit The Road." The children are extremely excited and we have packed so much in, so lets get off to a good start. Any questions need to be answered next week. Contact Mr Wright.
