Nov 10th—**
Active After School Softball

**Thursday
Nov 11th—**
Active After School Lawn Bowls.

COMING EVENTS

Friday November 19th—Big Bash.

Thursday 9th December—School Concert

SCHOOLS FIRST

Nangiloc/Colignan P.S did not win the state award but, has been declared part of an elite group of Australian Schools by the Schools first Committee. Winning an Impact Award does not only result in a significant allocation of funds, it also means that the NAB will produce ongoing support. They are prepared to provide publicity and coordinate personnel who can be utilized to further enhance our project. Tony Bothroyd, Mary Cannard and Mr Wright attended the 'cocktail party' (sorry no cocktails to be seen) and were able to meet with many of the NAB senior management group. Our project was highly recognised and many of the other schools were amazed at the complexity and impact such a project has on our small community. We were also informed that we are able to spend our funds as we see appropriate.

BIG BASH CELEBRATION NOV 19TH.

We continue to receive replies from many of our partners and the night is shaping up to be an opportunity for many contributors to meet each other and to realise that they have been part of a very special initiative. The NAB have invited our children to the staff meeting on Thursday Nov 18th at 9.00am. We will also take the opportunity to visit Lencia Juices to see how they produce their OJ ice blocks. 4 children will be selected to present at the staff meeting, and travel in early with Mr Wright, the remaining children will leave at 9.00am by bus and meet Mr Wright in town.

HELP - CATERING

We are intending to provide finger food on the evening, between 6.00-7.30pm. Mr Wright has offered his new trailable oven to help warm them up. We would like mums and dads to start baking their favourite sausage rolls, pasties, mini quiches etc. We have the capacity to freeze them and if we start now we should have plenty by Nov 19th. If you prefer you could wait and prepare them fresh on the day. We expect to have a crowd of 150 adults and children on the night, so we will need lots. Thanks

KANGA 8 CRICKET CARNIVAL—TUESDAY NOV. 9TH, MILDURA

Grade 5 & 6 students and the grade 4 boys will participate in the district carnival next Tuesday with parental permission (form attached) the children will travel by bus to the Aero Ovals, departing from the school at 8.45am sharp and return by 3.15pm. Children need to bring, snack, lunch, HAT and lots of water. It is generally a very hot day and there is very limited shade at this venue.

ACTIVE AFTER SCHOOL SUPPORT

We only had 3 children participating on Wednesday afternoon, and on Thursday. It would be fantastic if we can increase these number, Please encourage your child to join in. Again, Active After Schools will only continue to be funded if we have at least 15 children each session. "USE IT OR LOSE IT".

ULTRANET UPDATE

Staff are continuing to be trained in the use of the Ultranet and we now have all the children in grades 3-6 registered. Please find attached an information brochure for additional parental information.

CAMP UPDATE

It was fabulous to hear all of the wonderful experiences the children had while away on camp. Every teacher returned boasting about how well behaved our children were. The children had many stories to tell and you can read a few comment in this weeks Fundzinc newsletter.

Prep—2 sleepover, as I was a participant in this bold endeavour I would like to also boast about how wonderful and brave (no crying, no home sickness) a group they were. We had the most fabulous time, with the children thoroughly enjoying Pine Plains, especially the 5 star bedding arrangements. It was also, so noticeable that they all wanted to help out with preparation of food and cleaning up afterward. This trip will become a regular for the Prep—2. Well done Mrs Wright for organising the adventure and a big thankyou to Mrs Hicks and Shelly Sewell for their tremendous help.

REPORTS

It is our intention to have our End Of Year Reports distributed by Tuesday Dec 7th. Staff and children will be involved in numerous forms of assessment over the next 2 weeks, including on demand computer testing. If you child is going to be absent please contact staff to ensure they are not missing out on any of these essential testing.

COLES SUPERMARKET SPORTS IN SCHOOLS—VOUCHERS

If you still have some vouchers kicking around at home could you please have them at school no later than next Tuesday as they have to be delivered to Coles Supermarket by next Friday. We have actually collected 2,400 vouchers, which is amazing. Thankyou to everyone who supported this project. We will now wait to see what equipment we can get with our vouchers.

SCHOOL RAFFLE

Don't forget to sell those raffle tickets for the tricycle and get them and the money back to school.

SCHOOL LIBRARY BOOK BORROWING.

November 19th will be the last day our children will be able to borrow from our library. End of year stock take will begin from that date onwards. Please make sure all books are returned to school by the end of November.

HUMAN DEVELOPMENT & PUBERTY PROGRAM

Angela Watson (Registered Nurse) is offering this program on Thursday 2nd December. Grade 5 pupils will be involved during the day (12pm onwards) and grade 6 pupils will have their session from 5.30pm to approx. 7.20pm.

KANGA 8 CRICKET PERMISSION FORM

I give permission for my child/
children to travel to
Mildura by bus on Tuesday 9th November to participate in the Kanga 8
Carnival.
