NIT ALERT

We conducted a head check on Thursday and found 15 cases of infections. Can all families please keep a very close watch over the next few weeks. As usual, if we all cooperate we can quickly address this issue. Thanks

FLOODING RAIN

Fortunately our school was not seriously impacted by last Friday's down pour. Thanks to the work of all staff we did stop the "SHED" from being totally flooded. It did get some water damage but not as much as it could have. We have a photo on our brag board of our staff looking a little wet after their efforts. Thanks also to Geoff Collett who came to the rescue and again to Shelly Robinson who shampooed our carpet on Monday.

COMMONWEALTH BANK VISIT

The Commonwealth Bank have generously donated \$300 to our school to assist in the provision of rural education. The manager of the bank will present the cheque to our school at morning assembly on Tuesday Feb 15th. We sincerely thank the bank for such a generous donation.

SCHOOL FEES

Can families please indicate their intention to pay school fees by Friday Feb 25th. You can do this by paying in full or making a part payment. Thanks.

EMA

If you hold a current Health Care Card you are entitled to claim for EMA—Education Maintenance Allowance. Please call into the school office asap to present your Health Care Card. We then enter your information into the computer and send it off the Centrelink. You will then receive of cheque to assist with your child's education. These cheques can be used to pay for uniforms, school fees or school camps later in the year. Applications close early March so please get those cards into the office. It is very worthwhile.

SCHOOL CAPTAIN ELECTIONS

All of our grade 6 pupils are required to prepare and present a public speech relating to their desire to be school captain. They are also encouraged to prepare campaign material, posters, jingles, stickers etc. (No bribes). All families are strongly encouraged to attend school assembly on Monday Feb 21st (9am) to hear and observe the children present. It has been a highlight of the school year for many years now.

ACTIVE AFTER SCHOOL

Yes we have been fortunate enough to again secure funding to continue our Active After School program. During Term 1 we will provide the opportunity for the children to be involved in swimming and tennis. If it's hot we will swim, if it's cool we will play tennis. Active After School will be held on Wednesday and Thursday of each week starting Thursday Feb 24th (3.45pm-4.45pm).

SCHOOL COUNCIL ELECTIONS

Nominations for membership of School Council are now open and will close on Friday March 18th at 4.00pm. We do require 3 new members so please consider helping out. Thanks

SWIMMING SPORTS—GRADE 2-6. WED. FEB. 23RD (12.30-3.00PM)

Colignan Community Pool

All children in grades 2-6 will swim in 4 different events at our sports. They will compete against other children BUT it's not the competition we want to highlight, it is all about the children showing mum, dad, grandpa etc how well they can swim. "A chance to shine." I strongly encourage all families and friends to attend and support your child's effort.

Bus Route—Following the sports the bus route will start from the Colignan end. This will result in a change of times for all involved. Please make your own judgments on arrival home times. The bus will leave Colignan Pool at 3.00pm.

LUNCH ORDERS

Please check the attached list for this years lunch orders. Children can order from the Nangiloc Store on Mondays and Fridays. Please note they have some new items.

There are no Ziggy's products at present.
