

# River Ramblings

11TH FEBRUARY,  
2011

## At A Glance

### Local Community Notices

#### RIVER RAMBLINGS

Please forward articles you wish to add to the River Ramblings to rohde.lauren.j@edumail.vic.gov.au or they can be faxed to 50291634 or simply dropped off at the Nangiloc/ Colignan P.S by Friday morning.

#### **THANKYOU Nicole and Daniel**

Nicole Aston and Daniel Macklin generously offered to collect donations from guests at their engagement party in January. They raised \$315 which was split between the Colignan Mudhut and the Nangiloc Kinder. Thankyou for this much needed help.

#### **THANKYOU Nangiloc and District Community**

The Australia Day breakfast this year was again a great success. Over 150 people turned up for bacon, eggs, fresh fruit etc. Donations collected this year were passed on to the Red Cross Victorian Flood Appeal - we raised \$498! A great effort. The Red Cross Flood Appeal also helps families in Mildura and surrounds affected by the recent flash floods.

Thankyou to

- all the volunteers who work hard to make it happen, especially Bonnie Cox and the boys on the BBQ
- the local businesses and families who donated produce, BBQs and marquees for the day

- Nangiloc Football Club who offered their clubrooms because the Colignan Mudhut was flooded (and still is!)

- Mildura Rural City Council for supporting the event financially and Councillor Vernon Knight for leading the ceremony

- our community, who showed such generosity and Australian-ness!

#### **PHONES OUT OF ORDER**

If anyone is trying to phone Julie Briggs, please ring her mobile 0427291880, as her home phone is down.

#### **Flood Assistance**

Our Community liaison officer Jarrod Delahunty has been working at the Mildura recovery centre and urges any residents affected by the recent floods to come into the recovery centre at the Salvos building on the corner of 14th & Etiwanda Ave Mildura to access the different services that may be able to help in some way. Some people may also be able to get funding assistance and accommodation through council in the interim if need be.
