Dates for the calendar

Wednesday 27th April—First day of term 2.
 Monday 16th May—Grade 6 Transition day at Red Cliffs SC.
 Tuesday 17th May—Information session for parents of grade 6 pupils at Red Cliffs SC—7pm.

TERM 1 HOLIDAYS

An extended holiday as Easter Monday is after the 2 week annual holiday break and Anzac Day is on the Tuesday. School returns on Wednesday 27th April. Hope everyone has a safe and enjoyable holiday.

NIT ALERT

It would be great if everyone conducted a thorough check over the holidays as we still have a few reported cases. If you can check and treat during the holidays the children will not miss any school. We will have a whole school check during our first week back.

PARENTS CLUB

Our annual general meeting was poorly attended (4 parents) and we were unable to form a committee. Marion Peters kindly offered to be our contact person. Catering of the Field Days and Motor Bikes will continue and we can only hope that parents commit to their pledge to support both fund raisers.

SCHOOL COUNCIL MEETING

Tuesday April 5th—7.00pm.
 Due to our next meeting being in the holidays, resulting in no meeting for 6 weeks I have decided we better have one next week. Hope this is OK. We will conduct our annual general meeting on this night and elect our executive.

ENVIRONMENTAL DAY—THURSDAY APRIL 7TH

Due to the high river we can't conduct our annual sandbar day. Staff have discussed an alternative and decided a trip to Lake Mournpall as an option.

Due to the distance involved it was also decided that we make it on Thursday April 7th (as we finish early on Friday).

Time table

- 9.00am Depart school
- 10.00am Arrive and snack.
- 10.15am—12noon Hike and environment games.
- 12.00-1.00pm Lunch (free BBQ)
- 1.00-2.00pm Environment games.
- 2.00-3.00pm Travel home.

Please bring—hat sunscreen, drinks, snack, enclosed footwear and a big smile. Mums and dads and friends are all welcome, but you will need to arrange your own transport.

STUDENT BANKING

Keep up the great work. Approx. 14 students are banking each week, which is fantastic. Call in to the school office to collect an application form to receive a youth saver account for your child/children.

COMMUNITY BENEFIT PROGRAM

We currently run the Fishers Community Benefit program where 1% of your total grocery bill comes back to our school. If you would like to be involved please call into the school office and fill out an application form. You will then receive 2 key tags to put on your key rings and every time you shop at any Fishers store all you need to do is get your key tag scanned as you go through the register and all the rest is done for you. We receive quarterly payments from fishers of approx. \$90. These fundraisers are great for our Parents Club because it doesn't involve baking and taking time out from your work. Everyone has to do their groceries at some stage during their busy week, so get on board and help out. Just a little can go a long way.

CRAFT MATERIALS

Next term we are hoping to do some craft with the kids for Mother's Day. If you have any of the following that you can send along to school it would be greatly appreciated.

Ribbon (scraps will be ok)

Buttons

Small flowers

Beads.

MOTHER'S DAY RAFFLE—WHOLE SCHOOL (CAMPS FUNDRAISER)

Attached to today's newsletter is a sheet of raffle tickets. All tickets sold will go towards all camps the children will be involved in this year. If your child sells \$10 worth of tickets \$10 will come off his/her own camp costs. Prize is a Tupperware picnic backpack with a knife set (including ss block), bottle of bubbly and nutrimetics products. All this is valued at around \$150. This raffle will be on display at the Nangiloc Shop during the holidays for you to view. Extra tickets are available from the school office.

LIBRARY BORROWING AND STUDENT BANKING

Library borrowing and student banking will be done on Wednesday 6th due to Mrs Collett being away on Friday.

WORLD RECORD ATTEMPT

The Mildura Branch of Vision Australia is attempting to break the Guinness World Record of Largest Tunnel Ball Game. They are asking schools to develop a team that we become part of the Massive Team.

Dates & Time—April 2nd

12.00pm Sausage Sizzle

1.00pm World Record Attempt

City Heart Mildura.
