**STOP PRESS**

Just received word that the NAB are still planning to launch 2011 School First promotion on June 17th and want our school to be their main feature. The date is the only details so far. My thoughts are the Grade 6 pupils would be given the opportunity to attend, but of course this would require school council approval.

Could all parents of Grade 6 students please notify Mr Wright by **Monday 23rd** if they would like their child involved in this exciting news. Expression of interest from parents is also welcome.

**Thanks**

A big thankyou to everyone who has either volunteered to help, or made a donation towards our up coming Field Day catering. Together we can make this a huge success and raise much needed funds for our school!. School Council is arranging the erection of a front fence and funds raised will help finance this project. ( approx \$5000.00)

**Congratulations**

Our school was represented by 13 children at the District Cross Country. All of our children preformed at their best and were again complemented on their positive attitude and excellent behaviour.

A special mention to Tijana Domagala who finished 8th in the 9/10 years girls event. Tijana has now qualified to represent the Sunraysia District at the State Cross Country to be held in St Armand. **RESULTS:**

## **Lightning Premierhips**

All children in Grade 4-6 will be given the opportunity to represent our cluster (Koorlong, Sunnycliffs & Nangiloc) in football, netball and soccer Lightning Premier-ship on Wednesday June 15th. A special practice day has been arranged at Nangiloc on Wednesday June 8th at 1.00pm. We encourage parents and friends to attend and cheer on our little champs.

## **Great Computer Program News**

All of our staff attended a special training session on Wednesday to learn all about "Edustar." Edustar is a special package of computer programs provided by the Education Department free of charge to all schools and pupils. The package covers art, design, maths, language, publication and so much more. It is a fabulous package which all children will now begin to explore at our school.

In addition to this great news our school has also registered and enrolled all of our pupils onto "Matheltics" a program that caters for all ages and covers all areas of the mathematics curriculum. This program allows children to start at their appropriate level of understanding and to then progress to harder and more challenging work. The children will have access 24/7. Mrs Stone and Mrs Wright will attend training next week and the children will be given their passwords next week.

I Encourage parents to support the children and become involved in both these programs. You as a parent will find many tools that you can also utilize, and its simple and works.

## **A Letter of Appreciation**

As most parents would be aware Mrs Nulty prepared another very respectful and emotional ANZAC ceremony this year which was attended by Elders of Jacaranda Village and Max Smith RSL. Max was so moved he sent a wonderful letter which I would like to share with you all.

Dear Eric,

You should all be proud of the effort you have put in for your ANZAC Day Commemoration. I must congratulate all those who had any part and the great behaviour and attention of the junior school.

My thanks for your invitation I am sure your guests ( the Elders of Jacaranda Village & I) were hugely impressed. Actually I think this years effort was even better than last years.

On behalf of the Sub-Branch, thank you for the opportunity to see one of our Primary Schools at its best.

On this very important occasion we can see that ANZAC will not be neglected, nor forgotten.

Yours in Appreciation,

Max Smith

**Well done Grade 5 & 6 & Mrs Nulty.**
