Wednesday 29th June-Open Day at school

Friday July 1st-Last Day of Term 2 (2.00pm Dismissal)

Friday August 5th-District Athletic Sports

Thanks Thanks and More Thanks

Firstly to Marion Peters for all her organizing of the food, equipment and personal. It is a massive task to co-ordinate such a large event. Marion's estimate of requirements was superb with only a few packets of food left over.

Secondly to all the parents who gave up their time to help out in which ever way possible. Working together at such events not only raises funds but also the profile of the school and provides a focus for us all to show that we are involved and interested in our school.

Thirdly to those who donated \$50 because they were unable to attend. We raised \$2,500 and the Kinder raised \$400. It was fantastic that the organizing committee allowed the Kinder to sell the drinks as a fundraiser and to have the Kinder parents involved strengthens the relationship between school and kinder. The money raised will be allocated towards our new front fence. Every time you come to school you can proudly state that you helped build this fence.

For Sale (Left over from Field Day)

Eggs- 1 doz for \$3

Bacon- 2.5kg (approx 48 sliced) \$27 Can be frozen. Share a pack with a friend.

Regional Cross Country

As you will all be aware, Tijana Domagala qualified to represent Sun-raysia at the Regional Cross Country. We have been informed that this event will take place in St Arnaud on Thursday 9th June. We know Tijana is in training and she will "do us all proud".

Fundzinc—NAB Schools First Launch

Our school has been invited to be part of the 2011 Launch of NAB Schools First Program. They wanted to use a winner from last year and guess who got chosen. The children will travel to Melbourne Thursday June 16th and on Friday June 17th set up a display using all their citrus products. They will give away samples of fruit and juice and hopefully be able to sell oranges using their Orange Drive Promotion. All costs will be covered by NAB. Again this is very exciting and provides our children with the opportunity to further develop their enterprise learning skills.

Greg Champion Evening

We trust everyone will attend but the meal prior has been cancelled. **No meal**
7pm start at the Hall.
