Born in Benalla Victoria and raised in South Australia, Champs is Australia's leading writer of AFL and cricket songs, with several Aussie Rules hit songs since the 1980s.

Champs rose to national prominence in 1986 with the release of the single *I Made a 100 In The Backyard At Mum's*.

This song soon became widely-loved and was then chosen as the leading track on the first Australia All Over album compiled by ABC's Ian McNamara, which sold over 150,000 copies.

In 1995, Channel 7 took up Greg's anthem *That's The Thing About Football* as a theme for their AFL broadcasts over several years.
