Committee update...

Community Fun Day Soccer Event at Nangiloc Reserve - A Huge Success!

A big thank you to everyone who participated, spectated and assisted in making our Soccer Community Fun Day at Nangiloc Reserve on Saturday, 22nd March, such a wonderful event! It was fantastic to see the community come together for a fun-filled day of soccer and camaraderie.

First and foremost, we want to extend our heartfelt appreciation to the Mildura Rural City Council and Emergency Recovery Victoria for their generous support in purchasing our new soccer goals, funding the event, and always being there for our community. Your ongoing dedication to supporting local initiatives makes a world of difference.

We would also like to acknowledge and thank the Nangiloc, Carwarp and Red Cliffs CFA teams, Nangiloc CERT and the Nangiloc Hall Committee for their invaluable support, including the use of their canteen and equipment. We truly appreciate all of your contributions to making our community events a success.

Our event proudly supported Red Cliffs Butchers and IGA. A special shout-out goes to Costa and SOS for their generous donation of fresh fruit, and we thank our amazing NCDCA volunteers who prepared the delicious food that everyone enjoyed throughout the day.

**Wishing Everyone a Safe
and Happy Easter!**

We would like to thank PALM Community Worker Coordinator Peter, Villy and Tanya from Ngwala Willumbong and Kelly from Northern Mallee Leaders for their support in making this event possible.

A huge thank you goes to Bec and Robbie for volunteering as referees and to Victor for capturing the day on video.

We'd also like to thank Mildura Intersport for their generous discount on prizes donated by MRCC.

After an exciting round-robin social competition between the Green, Blue, Orange and Royal teams, we were treated to an exhibition match by the PALM workers after they had finished their days work. It was a fantastic display of teamwork and sportsmanship!

A massive thank you to our NCDCA committee and Amanda (MRCC Community Development Officer) for coordinating the event and making it all happen. Your hard work and dedication truly brought everything together!

This event was a true team effort and we couldn't have done it without each and every one of you! We're thrilled that everyone had a great time and look forward to seeing everyone enjoy the new soccer goals as we continue to foster an inclusive and caring community.

Thank you once again for being part of this amazing event and we can't wait to see what's next for our community!

Warm regards,
Nangiloc Colignan District
Community Association

Meet the committee...

NCDCA Treasurer - Diego Deiana

How long have you lived in the district?

I moved here two years ago

What is your favourite local spot in the community and why?

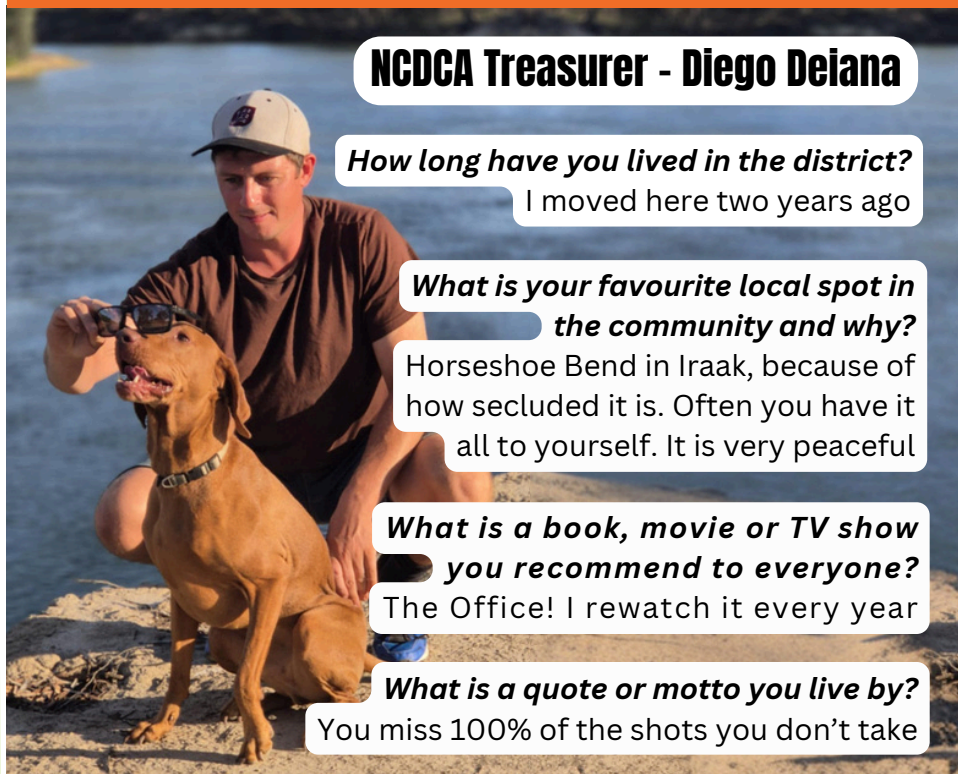

Horseshoe Bend in Iraak, because of how secluded it is. Often you have it all to yourself. It is very peaceful

What is a book, movie or TV show you recommend to everyone?

The Office! I rewatch it every year

What is a quote or motto you live by?

You miss 100% of the shots you don't take

Around the bend...

NANGILOC SWIMMING CARNIVAL

Marked a fantastic return, with this being the first time in over ten years that the primary school has held this event. What a huge success it was!

The day kicked off with a series of competitive events where the students showcased the incredible swimming skills and techniques, they've learned during their in-house swimming lessons this term with Swim Teacher Sheena Allomes.

In the afternoon, the energy shifted to more light-hearted fun, with fun relays, handstand competitions, and the ever-popular "Biggest Bomb" contest – which was a massive hit with both the boys and girls!

It was truly heartwarming to see such a strong turnout of parents cheering from the sidelines, adding to the excitement. A special thank you to our wonderful group of mums who volunteered to judge the handstand and biggest bomb competitions.

A huge shoutout and sincere thanks to Sheena and Gini Nevell for their outstanding efforts in organising this event and making it all happen.

We also want to extend our gratitude to the Nangiloc Primary staff and all the parents who contributed their time and energy to ensure the day was a great success.

Back in time...

The Community Spirit

*Published on Friday, 11th January 1924
The Burnie Advocate, Tasmania.*

The spirit of mutual support that has helped overcome the challenges of the mallee settlement was beautifully demonstrated last week at Nangiloc (Vic), one of the new soldier settlements in the wheat-growing region along the Murray.

A settler named Tancoe fell ill and required surgery just as his first wheat crop was ready for harvest.

In response, thirty neighbours, with fifty horses, seven harvesters and two wagons, worked together to harvest and transport four hundred bags of wheat in a single day. Additionally, thirty tons of hay were carted and stacked.

The women of the district also contributed by preparing meals for the workers.

How can you tell where

We are doing Auskick!

If you're turning 5 this year and under 12 you are good to go!

Girls and boys welcome. Great entry pathway to learning the fundamentals of footy but even just getting active and trying something new for the kids it should be a heap of fun.

It will follow the club every weekend for home and away games. Start time TBC within the next week or two.

Follow the QR code for all the info or feel free to call

NANGILOC & DISTRICT KINDERGARTEN

Wonderful weeks at Nangiloc Kindergarten!

This month, our Kinder community came together to celebrate Harmony Day, embracing the importance of inclusivity, kindness, and respect.

Our Bush Kinder sessions on Tuesdays continue to be a highlight, with the children loving their time exploring nature.

This week, they got their hands dirty in the garden, planting carrots, spinach and garden peas in our garden beds—learning about sustainability, healthy eating and the joy of growing their own food.

We also had a special visit from Kathy from the Red Cliffs Library, who delighted us with engaging stories and singing activities.

The children had a fantastic time, and we are so grateful for these.

Gayle Collett
Early Childhood Teacher

COLIGNAN COMMUNITY POOL

We have officially closed for the season!

A huge thank you to our incredible lifeguards, Amy-Jo Allomes and Sheena Allomes, for their outstanding dedication and hard work throughout the season.

We'd also like to extend a special thank you to Bonnie Cox for her consistent efforts in keeping the pool sparkling clean and the grounds beautifully maintained.

It has been wonderful to see both locals and visiting backpackers enjoying our wonderful pool.

We're already looking forward to the next season when the warm weather returns, and the pool reopens for another enjoyable summer!

The Angel in Our Community: Sewing Love into Every Stitch

In a quiet corner of our community, an angel walks among us—not with wings, but with a needle, fabric, and a heart full of kindness. While many go about their busy lives, she spends her time carefully sewing small tokens of comfort, soft Snuggle Hearts for premature babies in NICUs, cuddly bunnies for elderly residents in care homes, and delicate handmade flowers left as random acts of kindness all over the country.

For this compassionate soul, sewing isn't just a hobby; it's a mission of love. Each tiny heart is stitched with warmth, meant to be placed close to a mother's skin before being given to her fragile newborn, helping to carry her scent and provide comfort when they cannot always be together. Each handmade bunny finds its way to the hands of a senior citizen, offering a soft, reassuring presence to those who may feel lonely. And her handcrafted flowers, tucked into unexpected places, bring a moment of joy to strangers brightening their day with a reminder that kindness is everywhere.

She asks for nothing in return. Her greatest joy comes from knowing that her creations bring peace, hope, and a touch of love to those in need. With every stitch, she weaves a story of care and compassion, reminding us all of the power of simple acts of kindness.

Her work may be quiet, but its impact is immeasurable—one stitch, one heart, one bunny, and one flower at a time. If you would like to help by sewing Snuggle Hearts, or supporting this cause, visit nicucheer.com.au/snuggle-hearts.

Every stitch makes a difference. From each of us within our community and all of those who benefit from your kindness - **Thank you!**

2025 STRESS LESS FISHING CLASSIC NANGILOC

Events don't run themselves without the dedication of committee members and volunteers. A big thank you to everyone who made it possible throughout the year and especially on Friday night at the Nangiloc Tavern.

We are proud to say that the 2025 Garmin Marine Nangiloc Stress Less Fishing Classic reached a record number of 531 contestants! A heartfelt thank you to everyone who came along and supported the event.

We also want to extend a huge thank you to our incredible sponsors. Without your support, we wouldn't have been able to give away over \$25,000 worth of prizes.

A special shout-out to Garmin for being our naming sponsor in 2025. Everyone's support means the world to the Nangiloc Fishing Club.

We truly can't express how much we appreciate each and every one of you. With the raised funding we are able to support community projects and give money to Sunraysia Cancer Resources.

Keep an eye out on our social media page and website for updates.

Many thanks, Nangiloc Fishing Club
