

## Shhhhh can you keep a secret? Well it seems the Community can....

As on the 14th of September, Robert AKA “Grova” and Fay Groves were very much surprised with a  
**Surprise 70th Birthday Bash**  
in honour of Grova.

Many people came from near and far to share tales, photos, laughs and a few drinks down at the local Hall, which was organised by his daughters, Kelly, Wendy and Fiona.

To say he was speechless was an understatement, something that we all will remember for a long time.

From the whole community Gova, we want to wish you a happy 70th birthday and many more to come.

## NC&DC Association Natterings

Final preparations are underway for the new Nangiloc Hall and Colignan Mudhut Signage. It won't be long before you all get to enjoy something new for our Community. Yes it has taken a while from when we first begun but there is a lot of behind the scenes work and approvals that need to be done for everyone to enjoy it. The Halls renovations are about to get underway too.

We also have a few other projects up our sleeve, which we are excited about and can't wait for them to be finalised and once again, we have the Marine & PWC Licence going ahead.
