

## NC&DC Association Natterings...

On the 16th of June 2024, a Boat Licence Course was held by the Nangiloc Colignan and District Community Association at the local CFA Shed.

With 25 people attending the course, from near and far, adults to children, we are happy to say that they all passed.

Congratulations to all that attended, we thank you for your participation and also thank Christine Wilton for steering the ship, and organising this event.

We also acknowledge that there were some people that were unable to attend the course this time, but please note, we are hoping to hold another before the year is through.
