Learning comes naturally at Nangiloc Bush Kindergarten.

Located a short 25-minute drive from Red Cliffs is the Nangiloc Kindergarten. With the mighty River on its doorstep, this small friendly rural community is home to a unique kindergarten where learning and nature meet – all to the benefit of the children who attend. At Nangiloc Kindergarten, children can play in the rain, jump in puddles, balance along fallen logs, climb trees and experience the great outdoors, play in a natural bush environment. Here, the committed staff teach the children to face challenges and take risks with a positive approach. Drawing with sticks, making mud pies which is play-based, and a child-led approach which increases their confidence, motivation, and concentration.

With a vegetable garden and community kitchen, the preschoolers learn about where their food comes from as they sow and harvest, they learn.

Classes Tues, Wed, Thurs 8:45am - 1:45pm

NC&DC Association Natterings

A Draft of the Nangiloc Colignan & District Community Plan for 2024 -2029 is ready for your viewing.

You can find hard copies at the Nangiloc General Store and NC&D Primary School or
