Committee update...

IT'S BEEN A BUSY AND EXCITING TIME FOR OUR COMMUNITY!

We're thrilled to share that a brand new picnic setting has been donated to be installed at the Nangiloc Reserve, generously donated by the Stress Less Fishing Club. This fantastic addition and will be enjoyed by locals and visitors alike. A heartfelt thank you to the club for their ongoing support and commitment to enhancing our community spaces.

Several of our committee members recently attended the Advisory Group Networking Event hosted by the Mildura Rural City Council. It was a valuable opportunity to connect with other community groups, share insights and explore new ideas to benefit our region.

In addition, members also took part in the Social Media Workshops held in Ouyen and Mildura, also hosted by MRCC. These sessions provided practical tools and tips to help us better promote local events and initiatives online.

We're also excited to announce the launch of our Community Photography Contest! Open to all ages, we're encouraging everyone to submit photos that celebrate the beauty of our district - whether it's landscapes, local produce, flora, fauna or community life. More information on how to enter is shared on page 3, so start snapping those photos!

Lastly, a reminder that the next meeting of the NCDCA will be held on Tuesday, 17th June at 6pm. Everyone is welcome, we value your ideas, input and involvement.

Thank you for your continued support and enthusiasm for our community. Together, we're building something truly special!

Warm regards,
Nangiloc Colignan District Community Association

How long have you lived in the district?

I've lived around the district for 18 years.

What is your favourite local spot in the community and why?

My favourite local spot would be taking my dogs for a walk down to Buxtons Bend.

What is a book, movie or TV show you recommend to everyone?

My favourite TV series would have to be 'Kath n Kim'. I think I've watched all the seasons at least four times over. Great Aussie humour at its best!

What is a quote or motto you live by?

If something's worth doing, it's worth giving it your best!

Boonoonar Birds

Dear Charles Barrett. – This is the first time that I have written to you. I like reading your page in The Weekly Times. Boonoonar is 30 miles south of Mildura. We see many kinds of birds here. Emus and kangaroos are not so plentiful now as they used to be. A Major Mitchell cockatoo has a nest in a tree not far from the house, and “topknot” pigeons have built in a pine tree. We see smoker parrots flying in flocks.

Wishing your Page every success.

Dear Aunt Beth, This is the first time I have written to you and I would like to become one of your nieces. I am ten years old. I have three sisters and one brother. We drive three and a half miles to school. My brother drives the pony, and he yokes the pony in the gig every morning. I have two doves and so has my sister, and a big doll each. I have a pony, but he is too old to ride. My father has 12 horses.

From your loving niece, Joyce Spence

NANGILOC & DISTRICT KINDERGARTEN

We're pleased to share that the Mildura Rural City Council recently installed LED lighting throughout the kindergarten and carried out repairs on the drainage pit, making the space safer and more energy-efficient. We greatly appreciate their support in maintaining and improving our facilities.

We also had the pleasure of welcoming Pasadena Pre-school for a visit to explore our Bush Kinder environment. It was a fantastic day filled with learning and fun. Both the children and educators thoroughly enjoyed their time with us here at Nangiloc Kindergarten.
