Committee update...

Committee Present 2025-2030 Community Plan to Council Forum

On Thursday, June 12th representatives of the Nangiloc Colignan District Community Association - Bonnie, Kayla and Chrissy - stood proudly before Mildura Rural City Council to present the new Nangiloc Colignan District Community Plan 2025-2030 for endorsement and adoption.

The presentation marked the culmination of many months of community consultation, workshops and local input, all working towards a shared vision for the future of the Nangiloc, Colignan and Iraak District. The plan outlines key goals and priorities for the next five years, covering areas such as infrastructure, environment, community wellbeing, tourism, youth engagement and economic development.

Bonnie, Kayla and Chrissy spoke with passion about the collaborative efforts behind the plan and the commitment from residents to drive meaningful change.

They highlighted the importance of grassroots involvement and the value of local voices in shaping long-term outcomes. The Council panel was receptive to the presentation, acknowledging the hard work and dedication shown by the NCDCA team and wider community.

The endorsement of the plan marks a significant step forward and sets the foundation for future initiatives that reflect the aspirations of the people who call our district home.

This is an exciting milestone and we look forward to seeing the plan come to life with continued community support and council partnership. We thank all of you, our community, for your input and insights into making this plan, our plan, one to be proud of!

Stress Less Fishing Club Donates Picnic Setting to Nangiloc Reserve

The Nangiloc Stress Less Fishing Club has shown its dedication to supporting our community, not just through a shared love of fishing, but by making lasting contributions that everyone can enjoy. The club recently purchased and donated a brand-new picnic setting to the Nangiloc Reserve, providing a welcoming new spot for families, visitors and locals to gather, relax and enjoy the beautiful surroundings.

This thoughtful donation reflects the club's ongoing commitment to promoting wellbeing, connection and outdoor recreation in our district. Whether you're eating fish and chips, catching up over coffee and cake or watching the kiddos play the new picnic setting offers a perfect place to pause and unwind.

A big thank you goes out to the members of the Stress Less Fishing Club for their generosity and community spirit, and to local Chris for picking it up and assembling it at the Reserve. It's groups and community members like these that make Nangiloc such a special place to live.

THE ICONIC HATTAH DESERT RACE RETURNS IN 2025

This July 11-13, bringing excitement and energy to our region once again!

Nangiloc and Colignan will come alive with campers, riders and visitors as thousands descend on the area to enjoy this action-packed off-road event.

It's a fantastic opportunity to showcase our small community and support local business, with the race continuing to put our region on the map.

Get ready for a busy, buzzing weekend!

CITRUS SEASON IS ON!!

Stay Safe and Support Our Growers!

As the citrus season kicks into full swing, we'd like to wish all our local growers a safe, smooth and successful harvest. This time of year brings long days, busy schedules and a flurry of activity across our orchards and packing sheds.

It's also a time when our local roads get busier, with more trucks, tractors and machinery moving between properties and transporting fresh fruit. We ask all road users to please be patient, drive with caution and stay alert, especially around slow-moving vehicles.

Let's all do our bit to support our growers and keep everyone safe on the road this citrus season.

Good luck to everyone involved, here's to a fruitful season ahead!

NANGILOC COLIGNAN PRIMARY SCHOOL

School pulls off another successful bake sale...

With the primary goal of promoting mental health awareness and raising funds for our exciting school camp to Adelaide planned for Term 4.

Despite the chilly and foggy morning, locals and parents showed up in great numbers, eager for something sweet and a hot coffee.

It was lovely to look around and see everyone chatting, laughing, and connecting. As always, it highlighted the strength and spirit of our community.

Thank you for the incredible efforts from our Grade 5 and 6 students who were on full display. This event offered our students a meaningful, hands-on learning experience that extended beyond the classroom.

We are so grateful to everyone who baked, volunteered, and came along to support the event. Your kindness and generosity make events like this possible and help us create meaningful experiences for our students.

Thank you all for making this bake sale another wonderful success!

NANGILOC & DISTRICT KINDERGARTEN

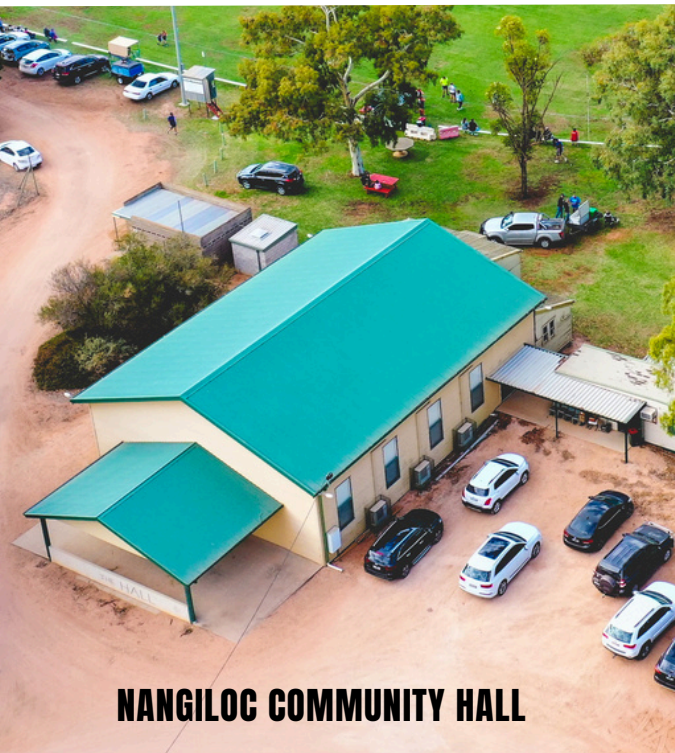

Grant brightens up our Kinder!

We're excited to share a sneak peek at some of our beautiful new furniture, which was made possible through a \$10,000 Inclusion Grant.

The new pieces have brightened up our learning spaces and are already being well loved by the children!

A big thank you to the Victorian Government for supporting inclusive learning environments in our rural communities, this grant has made a wonderful difference for our Kinder.

Gayle Collett
Early Childhood Teacher

Progress Update...

Great news! Works at the Nangiloc Hall are moving along nicely. The rear wall has now been fully completed, both inside and out. We're just waiting on the installation of a few power points to finish off that section.

There are still a few finishing touches that will really help bring the space to life. The floor could benefit from a light sand and a fresh coat of sealant, and a few of the doors need some minor repairs. But overall, everything is coming together beautifully!

To give the hall a proper refresh, the Hall Committee is planning to host a community working bee soon. The goal will be to give the hall a thorough clean, washing the interior walls and windows, and pressure washing the outside.

Keep an eye out for the date, we'd love your help!

LETTERS FROM THE ARCHIVES

Nangiloc Notes

Dear Charles Barrett, — This is the first time I have written to you. We live on a farm in Nangiloc, which is a small township, with a post office and a few houses. I get The Weekly Times, and I like the Boys' Page very much. We are right on the Murray River, and every Sunday we go swimming. I am 10 years old, and I go to the Nangiloc school. I am in the sixth grade. There are 16 boys and girls going to the school. We have a pony, and his name is Tommy. Our dog's name is Rose. We have two cows, and I have to milk one of them. Wishing The Page every success. Angus Macarthur (Nangiloc, Vic.)

Nangiloc Notes

Dear Aunt Beth, I thought I would write and try the competition because it's easy. It was my brother's birthday on June 11. He had a cake with 15 candles on it. Please Aunt Beth, would you put June Spence's birthday in the League? She is eight on June 23. I read and enjoy your section every Saturday. I like reading the letters and riddles. I have a new bicycle and ride it 6 miles to school. I am knitting a blue scarf in a fancy stitch. Every Friday we have sports, and we are starting tennis now. I like sewing and make clothes for my dolls. I will close now, wishing the children's page every success - From your loving neice, Sheila Clohesy.

Emergency Preparedness...

Be Ready, Stay Safe

Emergencies can happen anytime - are you prepared? Having a plan and the right resources can make all the difference. Ensure your household has an emergency kit with essentials like water, food, medications, and important documents. Stay informed by signing up for emergency alerts and knowing your local evacuation routes. For more information on how to prepare for floods, fires, and other emergencies, visit nangiloc.vic.au. Let's work together to keep our community safe!

Recipe of the month...

AUSSIE BEER CAMP OVEN DAMPER

Travellers-Fare

Ingredients:

- ☐ 1 can of beer - different beers create different flavours
- ☐ 2 tablespoons oil ☐ 1 teaspoon sugar ☐ 2 cups self-raising flour
- ☐ 1 mixing bowl ☐ 1 camp oven (or kitchen oven)

Instructions:

1. Prepare fire or preheat oven.
2. Put beer, oil and sugar in a mixing bowl.
3. Add self-raising flour and mix until there is a doughy consistency. You may need to use your hands to mix. If it is dry add more beer and if it is too wet add more flour until you get a nice dough consistency.
4. Put some foil on the bottom of your camp oven then put dough onto foil, usually in a round state.
5. With a knife mark into wedges.
6. Cook in camp oven with hot coals on top for about 15 minutes or until a lovely golden colour. You can check if it is ready by tapping on the bread - if it sounds hollow it is ready. (Another cooking option is to wrap the dough in foil and put in the fire).
7. Serve warm with butter or with whatever you like.
