### Committee update...

Happy Mother's Day to all the wonderful mums, step mums grandmothers and mother figures in our community. We hope you all have a beautiful day and feel celebrated for everything you do.

We recently held a fantastic AGM and are very excited to welcome some new members on board. Your willingness to contribute your time, ideas and energy plays a vital role in supporting our community and making sure we can continue to deliver events, projects and opportunities for the Nangiloc Colignan District.

Mildura Rural City Council and Emergency Recovery Victoria for their support, which has allowed us to hold two First Aid training sessions and a Mental Health First Aid session. Congratulations to everyone who attended and took the time to gain these valuable skills, training like this makes a real difference in our community.

We are looking forward to an upcoming get-together at the Mudhut, where we'll be coming together to thank and celebrate our amazing emergency service volunteers. These incredible people give their time, energy and support to help keep our community safe, and we are so grateful for everything they do.

As always, thank you to everyone who continues to support the NCDCA and help make our community such a special place to live.

**NCDCA MEETING TUES MAY 19 6PM NANGILOC HALL**

**PANCAKES - FOR OUR MUMSIES** ♥

By Nagi Maehashi - [recipetineats.com](http://recipetineats.com)

**Ingredients:**

- 2 cups plain
- 4 tsp baking powder NOT baking soda / bi-carb
- 1/4 cup white sugar (caster / super fine is best but not essential)
- Pinch of salt
- 1 large egg
- 1 3/4 cups cups milk (any type, any fat %)
- 1 tsp vanilla extract or essence
- 4 tsp butter, for cooking

**Instructions:**

1. Place flour, baking powder, sugar and salt in a bowl, whisk to combine
2. Add egg, milk and vanilla. Whisk until lump free – no longer than 30 seconds.
3. Heat a non-stick pan – use medium heat if you have a strong stove, medium high if you have a weak one. Add a tiny bit of butter (about 1/2 tsp) and swirl to melt. Use paper towel to mostly wipe the butter off (this is the trick to avoid a dodgy 1st pancake).
4. Pour 1/4 cup batter into the middle of the fry pan (I use a slightly heaped ice cream scoop with lever, standard is 1/4 cup).
5. Swirl pan lightly to spread or use the ice cream scoop edge to spread into 11cm / 4.5" circle (ruler is a must) (joking!). When bubbles rise to the surface (see video), flip and cook the other side until golden.
6. Remove the pancake and keep warm in a low oven. Use more butter every 2 to 3 pancakes – depends how good your non stick coating is.

**Serve with toppings of choice!**

VICTORIAN MURRAY FLOODPLAIN RESTORATION PROJECT

HEALTHY LANDSCAPES, STRONG COMMUNITIES

[vmfrp.com.au](http://vmfrp.com.au)

**Plan your visit to Hattah-Kulkyne National Park**

Important work has begun at Hattah Lakes North to help restore and protect the landscape as part of the Victorian Murray Floodplain Restoration Project.

The construction of new infrastructure (containment banks and regulators) in the north will result in **access changes in Hattah-Kulkyne National Park in 2026.**

A section of **River Track will be closed from late May to December** to allow works to be carried out safely. Most popular camping areas in the park will remain open. Visitors may notice increased heavy vehicle movements and construction activity.

Please plan ahead, follow signage, and take care.

Scan the QR code to find out more.

# Around the bend...

## How long have you called our community home?

I have lived in Karadoc for 34 years.

## What's the best thing about living here?

The small country community where everyone looks out for each other, just like where I grew up. It has been a great place to raise my own family.

## What do you love most about being part of the community?

Since becoming the assistant at the Nangiloc Kindergarten in 2025, a job I have done in Mildura for 20 years prior, I have been made feel welcome by all. Nangiloc is such a great place for children to grow up in and be nurtured by their community.

## Do you have a favourite memory or moment from your time here?

I love relaxing down at Horseshoe Bend Sandbar, fishing, paddling in my canoe and spending time with my family there.

## If you had to describe our community in just three words, what would they be?

Wide open spaces!

## Meet our community...

## CHRISTINE WINSLOW

### NANGILOC & DISTRICT KINDERGARTEN

#### We've had a wonderful start to Term 2!

The children were excited to see how much our sunflower seeds have grown, now standing tall in our garden.

We also enjoyed a special visit from the Victorian Police, which was a valuable and engaging experience for everyone as the Prep 1 & 2 came over also.

Our learning has included some fun sensory exploration, using chalk and cornflour to create paint, as well as experimenting with different scents such as lemon and peppermint.

The children loved using their senses to explore, create, and discover.
